The Claims Administration Division of McFarlane & Dolan enables the firm to investigate and administer claims from their inception. McFarlane & Dolan have the ability to dispatch investigators and claims adjusters immediately to the scene of any catastrophic loss or claim in each of the 67 counties within the State of Florida.

The Claims Administration Division of McFarlane & Dolan offer the insurance industry the opportunity to aggressively defend claims from their inception. At McFarlane & Dolan claimants are “guilty until proven otherwise”. McFarlane & Dolan utilize Examinations Under Oath, videotape surveillance and independent medical examinations to challenge claims from their inception which can deter future litigation and lower the expectations of a claimant. McFarlane & Dolan administer pre-suit claims at rates comparable with all national and local independent adjusting companies. Since McFarlane & Dolan have the ability to investigate and defend a claim from its inception, we are able to decrease future litigation costs and fees if a claim requires litigation.

The Claims Administration Division of McFarlane & Dolan offer the insurance industry the following investigative and claims adjusting services:

- Accident Investigation
- Arson Investigation
- Accident Prevention
- Asset Searches and Locations
